

Lighten the Heart of Darkness!

*In Congo 48 women are raped every hour ... over 1000 each day ... more than 8000 each week. With every act of rape comes rejection, despair, hopelessness. But yet there **is** hope ...*

- ***Project 'Hope'*** teaches income-generating skills eg dressmaking for victims in Goma.
- ***Project 'Stand Up Women!'*** runs an agricultural scheme for victims in Kalehe.
- ***The Mothers' Union*** also runs literacy programmes for victims in Bukavu.

*Why not **give some hope**, and help the India Africa Foundation support these projects?*
