

Neerekshe Trust  
News Letter(Jan-March/2014)

Dear Friends,

We are glad to get in touch with you again. In God's goodness we were able to carry on the programmes as planned during CHRISTMAS SEASON. The story of JESUS coming to this earth was brought out through songs, skits, and preaching too. Children dressed in colourful attires and doing their part was a great feast to the eyes especially as the Parents saw their children enacting and singing songs of Jesus. We could give gifts to children to show that Christmas was all about GIVING, because God gave His Son to the world.

We also shared Food items with people around. These programmes were held in Muranpur village, St. Peter's School, Hope Hostel, Halvenkatapur village, and Sulthanpur village.

We believe God's word and His Love was shared and our prayer is that it will bear fruit.

Coaching for hostel children

Hope hostel Children receiving gifts

**POSTCHRISTMAS ACTIVITY:** The months of January, February have been preparation days for the Final Exams for the children which are being held in March. They had to get extra coaching in their studies. We were sitting with children and helping them to pick up where ever they needed help. This is a special work for us because the children would never get such help from their parents since most of the parents are illiterate and so what we give them by way of education here is unique, valuable and lasting.

**VACATION BIBLE SCHOOL:** is our annual summer experience where 300 and more children from 4 or 5 villages come to our campus to experience the learning from the Bible and from friends. They are with us for 5 days from 9 AM to 12 Noon. They do some colouring of pictures and also art work apart from hearing the Bible stories. They are all given Fresh juice to drink and 'Rice and Dhal' every day. In this hot weather this is a great gift to them. The Parents are very happy that their children are looked after here rather than playing in the hot sun.

We have a request, the VBS would cost us some money. If you are led to contribute financially for food expenses or travel for resource people, please do so generously for the cause of our village children. Or if you would like to come and give some time by teaching from the Bible, we would value that too. Please pray that lives will be blessed.

**HIGH SCHOOL BUILDING** is another big venture we have undertaken by faith. Our present school premise was too congested for 12 classes to be held in 7 class-rooms. But now with this new building we will tide over this situation. We still need to buy WOODEN DOORS and WINDOWS and also do the FLOORING and then the PARAPET WALL. Please help us in the construction at this final stage as we need some money for the completion.

New High School Building

**GRACE and JACK HOSPITAL** is getting a facelift with the appointment of Shanthraj as Hospital Administrator and Sorojini as ANM nurse, they are both giving care to patients who come to the hospital for minor needs. A big prayer request is for a suitable doctor for this hospital.

### **RURAL INDUSTRIAL TRAINING INSTITUTE**

First batch students of our institute have appeared for the Electrician trade and practical examination. There are changes with regard to student's attendance coming to our training institute.

Please pray.

- For Second batch students who are preparing for their examination to be held in the month of June 2014.
- For the Starting of new course in Civil Drafts men for the year 2014-15.
