NEWS LETTER-2013

## NEEREKSHE

Mr & Mrs. Shadrach and Gladys Peter (Neerekshe Founders)

Christmas greetings to you. Jesus came into this world to love us sinners and was born in a manger. His life has given us life. He continues to give us life and all that we need. The peace that the shepherds experienced when the angelic host announced "and on earth peace to men on whom his favour rests" Luke 2: 14b is the same peace we can experience as we journey in life. May this Christmas season fill our lives with such peace.

## ST. PETER'S SCHOOL MURANPUR

ST. PETER'S SCHOOL started with strength of nearly 150 children from LKG up to 10<sup>th</sup> standard. This 10<sup>th</sup> standard will be the final year of school in the State syllabus. We are grateful to God for the provisions of good teachers. We continue to be in want of English speaking Teachers. The HIGH SCHOOL BUILDING is in the final stages of putting the roof. Still there is lots of work that needs to be done. Pray that God may provide needed funds to complete the building. We need your prayers for a quality imparting of values.

## HOPE HOSTEL

HOPE HOSTEL has boys and girls staying on campus with us. Some 10 children are girls or little boys who stay with mothers in the classrooms in the school block. This BOYS HOSTEL where the boys live is a place of security for those who live there. The WARDEN is a school teacher who looks after the students and their studies. They have been enjoying the morning and evening prayers. They had a quiz recently and were given prizes. Once a week we have a SPECIAL DINNER for them when we give Fried Rice and Chicken curry or egg curry. We are very much in need of a GIRLS HOSTEL.

## RURAL INDUSTRIAL TRAINING INSTITUTE

This year industrial training unit has 19 students' enrolled for Electrician trade. Most of them are from surrounding villages. Neerekshe is committed to give the best training, empower them to be self employed. Pray for the affiliation to be granted to Fitter's trade and for the students to attend college regularly.

GOODFRIDAY SERVICE

It was on a good Friday morning, one of our hostel girls from village called Halvenkatapur (meaning of the village is abandoned village) Nagamma an albino girl collected 25 children and walked (no buses ply on this village road) 4 kilometer to reach our place to participate in goodfriday service. It was great to see these children with the effort of a single girl. They enjoyed playing and had good food too.

COWSHED CHURCH

MURANPUR has a missionary named DANIEL and his wife RUTH who live in the ancestral home in Muranpur. On Sundays the front verandah of their home becomes the church premises. The Missionary and his wife lead the church service in MURANPUR VILLAGE. They are working hard to build the lives of people in the village.

The missionary and his wife go to the villages on their TWO-WHEELER. The roads are very unstable because these are village roads. They meet in a home of a family whose child studies in our school. The local villagers are glad to listen to Christian songs and a short message from the Bible. There is no church building in any of the above mentioned villages.

CHRISTMAS PROGRAMMES

We hope to reach out to the above villages during Christmas time, by sharing about what Christmas is all about. We also hope to give some needy people gifts that will be useful like blankets or bed-sheet, or towels or plates and glasses. We will also give some eatables at that time.
